Acoustic System

Non cercate il silenzio altrove

I nostri pannelli fonoassorbenti favoriscono la concentrazione, la produttività, il comfort sia fisico che psicologico. Correggi e raggiungi il benessere acustico attorno a te con i nostri piacevoli colori.

Don't look far away for silence

Our soundabsorbent panels enhance concentration, productivity, both physical and psychological well-being.

Correct and feel the acoustic comfort around your with our colourful range.

Plus besoin de chercher à s'isoler pour rechercher le silence

Nos panneaux acoustiques favorisent votre concentration, votre productivité, et votre confort tant physique que psychologique. Modifiez et ressentez le confort acoustique autour de vous grâce à notre palette de couleurs.

No busques el silencio en otro lado

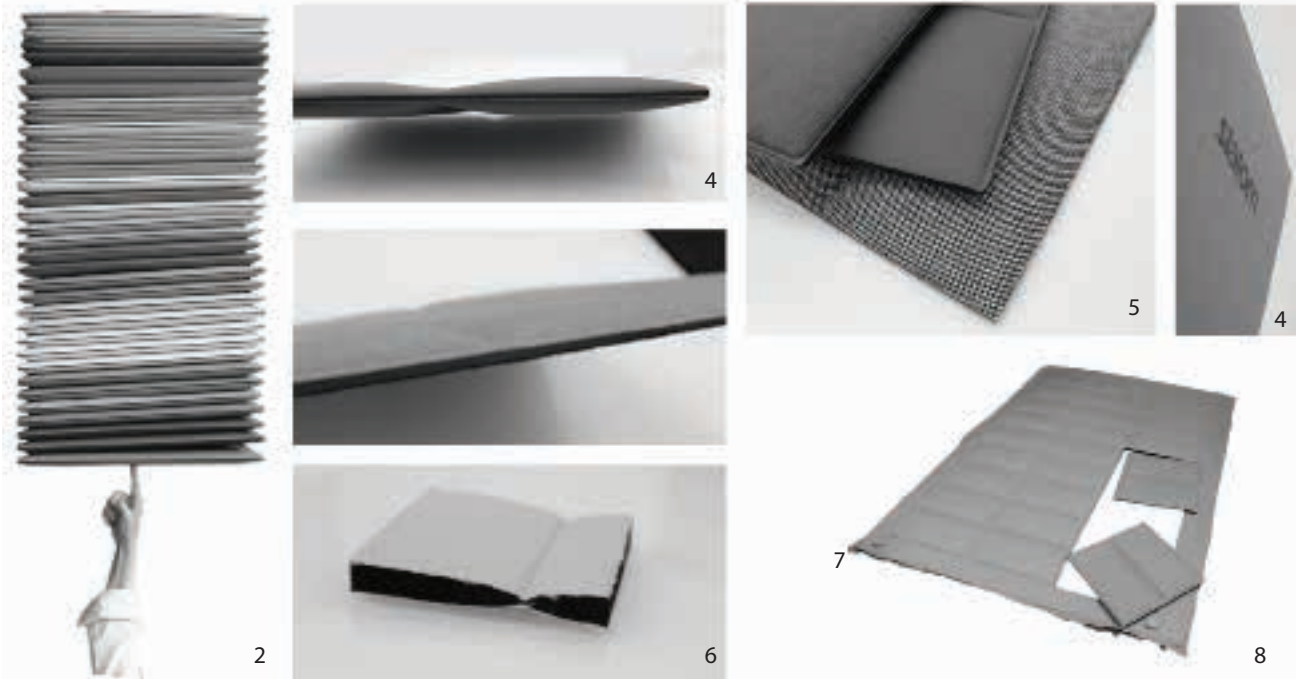

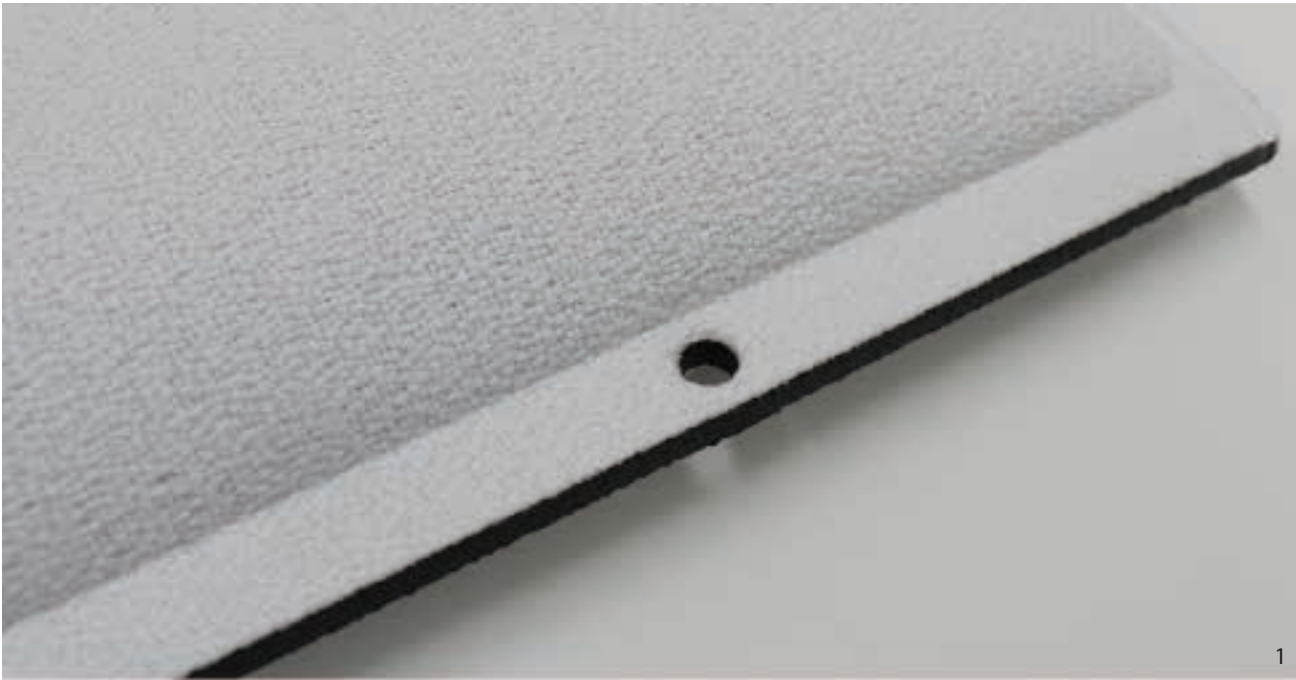

Nuestros paneles absorbentes favorecen la concentración, la productividad, el bienestar tanto físico como psicológico.

Ajustas y obtiene el confort acústico a tu alrededor con nuestros colores agradables.

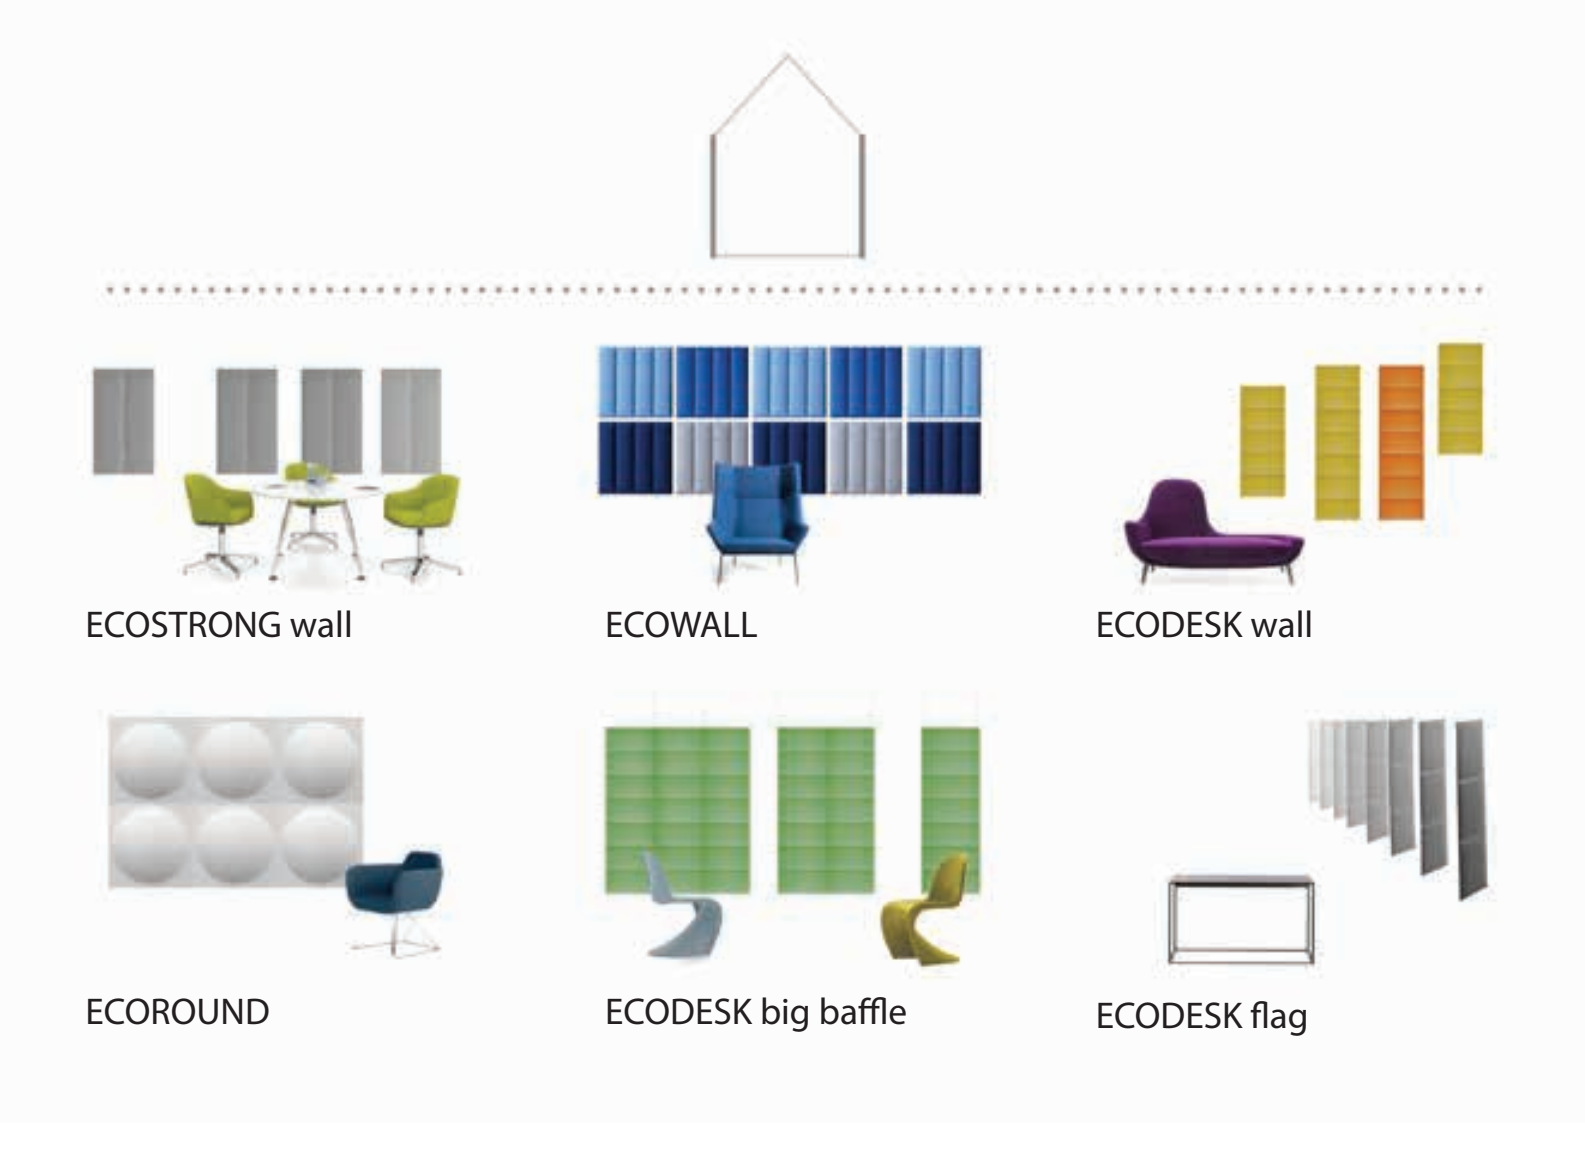

Schauen Sie nicht weit entfernt für Ruhe

Unsere schallabsorbierende Paneele steigern Konzentration, Produktivität, physische und psychische Wohl. Korrigieren und schaffen Sie den akustischen Komfort in ihrem Raum mit unsere farbige Auswahl.
